#### To all New Members

Sherborne Lake is a fantastic fishery that we rent in wonderful surroundings and to protect the fishing rights of current and future members, the Club's Committee have decided to implement this application form. New members will need to obtain the signature of a current lake member and the signature of a committee member. Once the form is completed, please send it to our Membership Secretary at the address below. By signing and returning this form (if your application is successful) you agree to adhere to all the rules contained in the Y.S.A.A licence with no exception. Access to pegs 1 - 41 (South Side) is only accessible via the cattle grid of style provided. We reserve the right to refuse membership without reason. Failure to comply with all the rules will result in your membership being terminated. In addition you also agree for your personal details to be held on the Y&SAA database either electronic or otherwise for administration purposes & solely for the use by Y&SAA. This information **will not** be shared with any other parties.

#### Current Member

The Current Member must ensure the Applicant is known to them and that they have made the Applicant fully aware of the lake rules (List of rules on our website) and that they will adhere to them at all times as failure to comply could jeopardise our fishing rights to Sherborne Lake.
